ABOUT

Undergraduate Information Systems & Computer Engineering student, who absolutely loves technology, music, and travelling. Proactive, creative, fast learner, imaginative, independent, hard, and dedicated worker.

EXPERIENCE

SOCIAL MEDIA MANAGER, TECH EVENT COMMUNICATION

SINFO (www.sinfo.org) | Apr 2017 - Present

SINFO is one of the biggest tech conferences in Portugal, and it is a non-profit college students organization. I am responsible for managing social media accounts and promoting the conference.

FREELANCER WEB DEVELOPER

Jun 2016 - Present

I am a freelancer web developer. Mainly, I develop responsive and fluid websites for companies or projects.

WRITER

Kioske da Maçã (www.kioskedamaca.com) | Jun 2015 - Present

Kioske da Maçã is a Portuguese blog which covers technology news, mainly about Apple and its hardware and software. I usually write apps and devices reviews, but I also cover news, rumors, and tidbits about the company. I also co-host the blog's podcast, "Podcast do Kioske".

MULTIMEDIA TEAM LEADER

High School Senior Class Committee | Sep 2014 - Jun 2015

I was responsible for the creation of diverse multimedia content for my High School Senior Class Committee events. I also managed the social media and event disclosure.

INTERN

Aguirre Newman | Sep 2015

I won an internship in the prestigious consulting company Aguirre Newman Portugal, within the ambit of the "A Empresa" program, created by Junior Achievement Portugal.

CO-FOUNDER, CHIEF TECHNOLOGY OFFICER

Savy | Apr 2015 - Aug 2016

Savy is a startup mini-company which I co-founded, responsible for the creation of devices that help users to achieve home savings easily. I was CTO of Savy, which got an award at the "A Empresa" competition.

PROJECTS

SAVY

Feb 2015 - Aug 2016

Savy is a startup mini-company which I co-founded, responsible for the creation of devices that help users to achieve home savings easily, as well as reducing the human footprint in the environment. I was CTO of Savy, which recieved an award at the "A Empresa" competition.

S.H.A.R.E.S.

Sep 2013 - May 2015

"S.H.A.R.E.S." (Solar – Hydro – Aeolic: Renewable Energy & Sustainability) was an Erasmus+ project funded by the European Union. Its goal was to raise awareness of the need for Energy Conservation and promote the advantages of using Renewable Energy Sources which are environmentally friendly and ensure environmental sustainability. Within the ambit of this project, I have visited and co-operated with students from Beja (Portugal), Azuqueca de Henares (Spain), Düsseldorf (Germany), Kortrijk (Belgium) and Constanța (Romania).

WHY MATHS?

Sep 2013 - May 2015

"Why Maths?" was an Erasmus+ project funded by the European Union. Its goal was to show students why maths is so important in the most diversified areas of our society. With this project, I have visited and co-operated with students from Kells (Ireland).

EDUCATION

BACHELOR OF INFORMATION SYSTEMS AND COMPUTER ENGINEERING

Instituto Superior Técnico, Universidade de Lisboa | 2015 - Present

SCIENTIFIC-HUMANISTIC COURSE IN SCIENCE AND TECHNOLOGY

Escola Secundária com 3º Ciclo D. Manuel I, Beja | 2012 - 2015
